Course Overview

The increasing global trade and the role of multinational enterprises in the global economy have boosted the relevance of transfer pricing topics. The number of countries having transfer pricing legislation in place has increased from a mere four in 1994 to more than 130 in 2020. Therefore, transfer pricing is **one of the most relevant and challenging topics** in the international tax environment.

The **Advanced Transfer Pricing Course (Benchmarking)** offered by the WU Transfer Pricing Center at the Institute for Austrian and International Tax Law meets the increasing demands for education in this field by offering high quality training. With renowned experts from all over the world as lecturers, training at the highest international level with a great degree of practical relevance is guaranteed.

The **WU Transfer Pricing Center** (www.wu.ac.at/taxlaw/institute/wutpc) researches, analyzes, discusses and teaches transfer pricing topics. Through its activities, it positions itself as a global institution providing the missing nexus between theory and practice in approaching transfer pricing topics. It combines both the academic and practical perspectives and its approach is highly international and interdisciplinary.

The WU Transfer Pricing Center is an integral part of the **Institute for Austrian and International Tax Law** at WU (Vienna University of Economics and Business; www.wu.ac.at/en/taxlaw/), one of the largest institutions of its kind worldwide. As well as being active in research and teaching activities at WU, the Institute with approx. 90 staff members and many visiting professors and guest researchers are involved in national and international projects. Being the hub for the international tax community, the Institute offers a unique academic platform for significant, innovative and inspiring tax-related research and training.

General Information

The course lasts five full-days and is held from **June 24-28, 2024** on the campus of WU (Vienna University of Business and Economics). The course is entirely held in **English**.

The course is structured into four sessions per day of 1.5 hours each. Each topic is analyzed with a mix of theory and workshops (with case studies).

In order to guarantee a high degree of interactivity, the course is strictly limited to a maximum of 25 participants. Demand for the course generally is high and an early registration recommended.

Target Group

The course is targeted at professionals around the world who want a more comprehensive and structured training on how to use databases and interpret the data retrieved for the day-to-day work in the transfer pricing practice. Participants typically are **tax and transfer pricing advisors** (accountants, economists, and lawyers), **in-house tax and finance employees of international companies**, and **government officials**.

Course Level

The course starts at an intermediate level. It is recommended that participants have already completed one or both of our Advanced Transfer Pricing Courses (General/Specific Topics) prior to this course.

Vienna Certificate in Transfer Pricing

This course is part of the **Vienna Certificate in Transfer Pricing**. The **certificate program** offers a unique opportunity to combine two excellent courses with a high-class case study as well as a technical paper supervised by the experts of the WU Transfer Pricing Center. Previously completed courses can also be transferred to the certificate program. The certificate should be completed within one year from the completion of the last course.

The certificate is **targeted** at professionals around the world who want to build or broaden their knowledge of transfer pricing. Participants typically are tax and transfer pricing advisors (accountants, economists, and lawyers), in-house tax and finance employees of international companies, and government officials.

The candidate will receive the “**Vienna Certificate in Transfer Pricing**” upon successful completion of the following four parts:

1. Advanced Transfer Pricing Course (General Topics)¹

This five-day course consists of an introduction to transfer pricing followed by lectures and workshops on the attribution of profits to permanent establishments, transfer pricing methods, administrative approaches to minimizing and resolving transfer pricing disputes, as well as transfer pricing risk management and compliance, among others.

2. Advanced Transfer Pricing Course (Specific Topics)

This five-day course deals with detailed lectures and intensive workshops on specific transfer pricing topics, such as transfer pricing and services, financing, intangibles, supply chain management and business restructurings, as well as indirect taxes and customs.

Lecturers at both courses are internationally renowned transfer pricing experts from academia, international organizations, the business community, government officials, and advisory firms.

3. Case Study

A case study should be solved by the candidate. This case study will be provided and supervised by the experts of the WU Transfer Pricing Center.

4. Technical Paper

A paper, in the form of a technical article (approx. 8,000 words), should be prepared by the candidate in English. The topic of this technical paper will be agreed by the candidate together with the experts of the WU Transfer Pricing Center, who will supervise said article.

The **fee** to access the certificate program amounts to **EUR 8,750**². Previously completed courses can be deducted from this amount. The fee might be reduced as a result of an early bird discount related to the courses. For further information, please contact us on transferpricingcenter@wu.ac.at.

¹ The course can be replaced with the **Advanced Transfer Pricing Course (Benchmarking)** upon request.

² Prices are subject to change.

Participants from previous editions of our courses come from 81 different countries.
